

Pioneer Camp and Retreat Center
9324 Lakeshore Rd.
Angola, NY 14006
Pet Policy for Dogs and Cats

Pioneer Camp and Retreat Center has set aside Family Court S and Founders 7 that may be occupied with a family and pets from their home.

The reason that there are only two designated rooms is to protect those with allergies.
When these rooms are filled no other pets may be accepted during that particular week.

There will be an extra \$25 dollar charge per animal.

This will pay for the extra cleaning supplies that need to be kept on hand and the extra cleaning that will need to happen after the family leaves.

We must have a shot record on file two weeks before the family arrives along with their registration forms.

Proving that all the shots are up to date.

This is in compliance with the New York State Laws.

These records will be kept on hand in the nurse's station the week that the animal is on site.

We must have the signed pet contract on file two weeks before arrival.

The animal will need to be leashed and with it's owners while on camp.

This way the animal is not left alone in the room and possibly barking to disturb other campers trying to rest.

Animals are denied access to the dining and meeting halls.

Animals may be unleashed at the beach, however may not swim in the designated swim area.

The owners are responsible for picking up after the animal leaves its daily mess.

This may be deposited in the dumpster!

The owner is responsible for any damage the pet may do to the room.

Any damage will be reported by housekeeping staff and the family will be billed.

The owner will be asked to bring a kennel, if they have one to place the animal in it at night!

If and when an animal is asked to be removed from camp property the following information will be given:

Jamco Dog Training Center, 549-1509

Located five minutes from camp, near the I-90 Angola exit.

Boarding costs are \$16-\$18 a night.

These same policies apply to all picnicking pets and families.

Items to Bring:

Food and Water bowls

Food

Leash

Chew toys

Poop scooper

Small bags for mess clean up
